

**Palapala Kulike
O Ka Aha Hoohanohano I Na Kupuna
Puwalu 'Ekolu: Lawena Aupuni**

December 19-20, 2006, Honolulu, Hawaii

The beginning of a consultation process with the Hawaiian community must begin with the creation of the 'Aha Kiole Structure. A complex, yet deceptively simple framework was agreed upon at Puwalu 'Ekolu.

Framework for the 'Aha Kiole

Aha Kiole

The 'Aha Kiole is the larger umbrella Council of each mokupuni (island) made up of the representative of each moku.

Aha Moku

The 'Aha Moku would be comprised of certain individuals who are expert in specific disciplines within the moku. There would be forty (40) distinct moku councils. Each moku council would be the umbrella for the ahupua'a and 'ili located within that moku.
